

## Women, Land & Legacy Local Team Agreement

**Name of local team:**

**Contact team member and information:**

### **WLL Mission**

Listening to women to connect them with resources for making informed decisions for their land and communities.

We ask local teams to adopt this mission and use in promotion of local events as appropriate.

### **WLL Goals**

We work to meet our mission through the following goals:

- For women to inform agencies and organizations of their needs and what the agencies and organizations can do to help meet those needs.
- To develop a local network of agricultural women who will decide what programs, project and information they need to assist them in their farming and conservation decision making.

We ask local teams to adopt these goals in promotion of local events as appropriate.

### **WLL Language**

WLL is a unique USDA state-wide program providing locally-led education and outreach and networking opportunities for women landowners, farmers and other women managing land and food and agricultural businesses in Iowa.

We ask local teams to use this language in promotion of local events as appropriate.
